About FPSF:

MISSION STATEMENT:

“THE MISSION OF FRANKLIN’S PAINE SKATEPARK FUND IS TO ADVOCATE AND FUND THE DEVELOPMENT OF FREE, PUBLIC PLACES TO SKATEBOARD IN THE PHILADELPHIA AREA, AND TO PROVIDE EDUCATIONAL PROGRAMMING OPPORTUNITIES THROUGH SKATEBOARDING TO LOCAL YOUTH.”

What We Do and Who We Do It For:

- » In 2002, skateboarding was effectively banned in all major public parks and plazas around Philadelphia. Among the sites banned to skaters was the world-renowned LOVE park.
- » It is FPSF's goal to establish a network of skate sites around the city to benefit all communities and provide skaters with a safe, fun place to practice their skills.
- » With the aid of local community leaders, city agencies, and enthusiastic citizens, we can locate sites and build exciting skate spots where they are most needed!
